Meeting of Steering Committee only

Wednesday August 19, 2026

The meeting was called to order at 5:00pm by Chairperson Susan Miller. Steering committee members in attendance were Susan Miller, Eileen Immerman, Peter Hable, Marian Ritland, Bob Schwartz, Sharon Hildebrand and James Coy. Absent members were Roger Gravrok, and Patrick Stafford. (Jackie T sent proxy votes)

A quorum was attained.

The steering committee meeting focused on scheduling changes and picnic planning. The group voted to move future meetings to **the third Tuesday of the month at 6 PM**, and approved a **\$200 donation to Home for Good** for helping with picnic t-shirt art project for kids. The picnic budget was discussed and increased with approval to approximately \$1,200 to cover additional expenses, with plans made to store tables and chairs at Banbury and potentially set up tents as a backup plan for inclement weather. The meeting also covered newsletter distribution plans, with Eileen managing the printing and delivery using local zip codes routes, but a few streets will be hand delivered.

Respectfully submitted,
